

# IT'S ANNUAL DUES TIME

Fellow CBRC'ers, it's once again time to pay our dues. However, there is a slight twist to this year's remittance plan. As discussed at two previous meetings, we are aligning our dues year to match that of the AMA. To ensure the Club has sufficient operating funds during the change-over period, only half of the typical annual dues amount is to be paid this May/June timeframe. Then, in Dec/Jan, the full dues amount will resume to fund the entire calendar/fiscal year. A chart detailing the amount follows.

A second twist to this dues renewal schedule is the addition of a ONE-TIME, \$15.00 per adult member, dues increase to fund for the maintenance costs of the pavilion and physical plant of the field. This increase will not carryover to the fall dues schedule. Any money not immediately spent on physical plant maintenance will accrue to future maintenance projects. This increase was a result of a motion offered, seconded and, unanimously accepted at the Mar '10 meeting.

In an ever-ongoing effort to keep the Club's records accurate, when submitting your dues, please use a Membership Application form verifying your AMA number, current telephone number and a valid e-mail address. Since a printed Crab Rag is no longer published, e-mail is the only available method of directly communicating with the membership. The address on the membership application to which your dues should be sent is current. However, if you wish to pay them at the May or June meeting, you are certainly welcome to do that as well. Membership decals will be available at both the meeting and field locations.

TYPE Membership	Dues Amt	Maint	TOTAL Dues
Regular	32.50	15.00	47.50
