Steve Brought in a couple of models 1 I believe was called the Amy with a Saito .40 on it and the 2nd was a Giles 202 , .40 size that was under Construction. See Photos. Now to the Big Event

The Open House I feel is was a hugh Success, we had approx 45 people sign up for Flights with our Instructors, Which I will give a BIG Thanks to here,

Thank You Roger, Stan and Ray, Also Thanks to The members who supplied the Trainers and helped with Charging, Fueling, Prepping visitors for Flight and the list can go on, So I will Say Thank you to all who came out and helped it was great to see so many members show up and Support the Cause.

Also Thanks to The Pilots who Flew Demos during the Trainer breaks, Cliff with his P-38, Billy with the Big P-38 and Special Thanks to the Young Man and his Dad for the Heli Demo's, Everyone Enjoyed them.

Steve's Amy. I have seen this Fly
And it Fly very Good. Thanks
Steve and below the work in
progress.

This is just a few Pics of Saturday's
Event, There will be more on our
Website as well as MDFlying.Com

For now, May your Takeoffs and
Landing be the Same..
