

Crabrag

Chesapeake Bay Radio Control Club

Message from the Editor

The purpose of a newsletter is to provide our Club members a way to communicate with everyone in the Club.

If anyone has something to put into the Crabrag, Please forward it to Cliff Haley @ Cliff01@msn.com

I will be sure to include it.

Hello Everyone, It is the

Tail end of June and the Open House just over
What a great day Sunny

And a little wind a great turnout we also held our monthly meeting at the field on Friday night we had a very good turnout at the meeting we voted in a couple of new members Welcome to the Club wish you all the best

May's meeting was held at the Community Center ,Not too much went on at that meeting Other then discussing the Open House . Also keep in mind on Oct 2nd We are having a Electric Fly-in At the field .

President Chuck Adamo
Vice President Dave Gould
Secretary Susan Edwards
Treasurer Steve Barnett
Members at Large Mike Gates

Editor Cliff Haley
Webmaster Roger Edwards

Mark your Calendars as there will not be any general flying until after the Fly-in If you have Electrics and want to Fly That is Ok but there is a Landing Fee for that Day. Which includes Lunch. See Flyer posted on the Web Site.

Remember that July and August Meetings will be at the Field on the 3rd Friday of the month, Bring a plane and get some flying in before or after the meeting .

Also in May the Pavilion received a Face lift, a new roof, some new Plywood and Paint as well as new banners on each end. See Photos

Thank you All Who came out to Help.

After our Meeting's we rent the gym for some indoor flying Please support this if you can.
