### **Message from the Editor**

Hello All, Visitors and Members. We held our Monthly meeting at the Church. This was our Annual Builder's Sale Meeting. In the past we Called it a Swap Meet, This year we changed to Builder's Sale since we Only auctioned Planes this time and everything else was for sale on tables. The turnout this year was great; we had lots of Planes for auction

And many Items for sale on tables as well This was I think the biggest auction I have seen yet for us. Some other Items coming up for discussion in the next few meetings, A New meeting Place Chuck has talked with the Severna Park Community Center This will be brought up at the next meeting, I also understand that

Ray has talked with his church and we are going to hold a meeting there and Then decide where to hold our meetings. Dec Meeting (Our Christmas Party) Will be held at the School January Meeting to be held at Stan's Church and Feb Meeting at the community Center. Directions to follow Also check the Website for Upcoming Events. Chuck Sent an E-mail that I will forward to Roger to post

President           Chuck Adamo  
Vice President     Dave Gould  
Secretary          Susan Edward  
Treasurer          John Zseleczyk  
Members at Large George Piper  
                          Andy Smith  
Editor               Cliff Haley  
Webmaster         Roger Edwards

Also coming in Jan The committee for looking into gas Planes Has been busy, we have done 2 test flights And researched what other clubs in the area Have done. We will discuss our findings at the meeting and go from there. There is also a committee doing a Budget for the Club and that will be talked about in the Dec Meeting.

Also Keep in Mind the Fun Fly on January 1<sup>st</sup> from 10:00 Am till???? Bring a dish, I know Steve will have his Famous Chili There. Anyway enough Typing for now see Some of the Pics Of the auction, more Should be on the web site.

This does not have Wings but I bet it Flies!

Special Thanks to Jim Tomchick for taking the Pictures and Susan For letting me use her Camera when my batteries went dead.
