Hello All, Visitors and Members. We held our Monthly meeting at the Church. Started at 7:30 We had 41 members in Attendance, Ryan Johnson was voted in And gave a Slide Show on Drones more on that As far as business we will lose our meeting Place next June, So we our looking for a new Place to meet if you have any Ideas please

let us know. The Noise Measuring meters have new batteries in them we are using the honor system Check your Engines there is a Set-up at the far right side of the pits Get someone to help Hold the plane at least 3 feet off the ground and check the Db's at the four Points using the A Scale.

Doing a Financial Plan Was brought up and Chuck assigned a committee to come up with one. There was a motion to look into flying larger 50 cc gas Planes and Chuck assigned a committee to asses that, some reminders November meeting is out Auction and Swap meet At the church at 7:30, Planes will be auctioned and everything else will be

President	Chuck Adamo
Vice President	Dave Gould
Secretary	Susan Edward
Treasurer	John Zseleczy
Members at Large	George Piper Andy Smith
Editor	Cliff Haley
Webmaster	Roger Edwards

Flea market, we talked about improving the runway, the best solution right now is to cut a runway into the field at a lower height We did this on Saturday. Other events included Field Clean up on Sat the 19th and December's meeting at the School Our annual Christmas Party, We are trying to set up a speaker for Jan meeting to have a speaker on Electric Flying, Lipos and charging

The Big Event Jan 1st Fun Fly every year we go out on new Years Day and have a Fun Fly Some bring Hot food to keep us warm. For Show and Tell Bob Curry had an Extreme Flight Outlaw, Brian did the Maiden and it is pretty fast and handled well. Ryan's Slide show was very informative and enjoyed by all. Thanks Ryan

Also mentioned was Snow Flying. Order your Skies or make them now so when the snow falls you are ready there is a link on the home page as to where you can get some or make them. I am not going to say too much on Field Clean up as the turn out was poor. Those of us that showed up Managed to get the Field done and 2 People flew with wind Chuck and Roger Flew John Long Eze
